Sailing

- Sailing has been played since Olympic Games in Greece 1896.
- The world governing body of sailing was founded in 1907. It was initially called the International Yacht Racing Union (IYRU). The name was changed to the International Sailing Federation (ISAF) in 1996 and then World Sailing in 2015.
- Sailing first appeared in the Pacific Games in PNG 1969. The class played was fireball dinghy.
- Sailing is a compulsory sport in the Pacific Games.

Event Management Guidelines Windsurfer Regattas

On the Water

One of the benefits of the Windsurfer Class is that the class can race from 3 knots to 25+ knots on flat water. Four disciplines are part of the Windsurfer regatta:

- Course Racing**
Traditional, tactical and tight. Windward/Leeward or Triangle courses. 20-25 minute target times. The most hotly contested discipline.
- Slalom**
Fast & Furious fun. Very short (5-7 minute) course, multiple gybes. Small heat knockout - first 50% advance through.
- Marathon**
Persistence and Pain. A long distance test over a few hours. All in beach or boat start, on water or beach.
- Freestyle**
Three minutes of razzle dazzle wowing the judges. Tricks, flips, rail-rides and more in a seamless display.

Depending on time available one or more disciplines may be run. Course racing is the staple (and most highly contested) discipline. All State Championship Windsurfer Class events as the primary focus. In most cases only course racing is run. Freestyle is excluded from the 2023/24 season.

At Nationals all 4 disciplines are scheduled over 3 days. Typically this involves 8-10 course races, double slalom, and a marathon. Freestyle is excluded from the 2023/24 season.

Typically this involves 8-10 course races, double slalom, and a marathon. Freestyle is excluded from the 2023/24 season.

Event Management Guidelines Course Racing

Course Length Guidance

- Introduction of LT has increased leg lengths are the boards are at least 20% faster than previous over 7 knots of windspeed.
- Leg length data in nm.
- Better to set the course short for first race and then adjust for subsequent races.
- Sea state impacts times - flat water = faster.

Windsurfer Class Race Length Statistics - LT
2018 Windsurfer State Champ - PYC - Race Stats

Start Time	Wind knots	Course	Leg
R1 10:20	5	5-10	1
R2 11:05	6-7.5	5-10	1
R3 11:51	6-7.5	5-10	1
R4 12:38	9-10	5-10	1
R5 14:00	8-11	5-10	1
R6 14:50	10-12	5-10	1
R7 15:23	12	5-10	1
Max wind speeds			
		12-15	1
		15-18	1
		18 knots plus	1

Start Line Length
Minimum = 10 board lengths = ~35 metres
Adjust for number of boards in fleet to start x 2 x 2 m

Finish Line Length
Approx. 6 board lengths = 20 metres max

Back to Back Races
Maximum of 4 (ideally 3) races back to back before a break.

Event Management Guidelines Slalom

General
High spectator appeal - try to set course as close to shore as possible.

Start Sequence

- Upcoming heat posted on Start boat
- 1 minute start sequence
- Heat number removed
- Heat not to start until all boards finished and placings recorded/confirmed onto ladder

4 MARKS
Course: Start - 1 - 2 - 3 - Start (Gate) - 1 - 2 - 3 - 4 - Finish
Lap 1 = F, Lap 2 = M

Course Length Guidance
Very short! The focus is on board handling. Target time 5-7 minutes
Leg length ~0.04 - 0.08nm

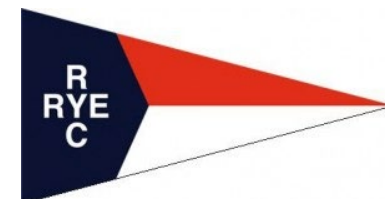

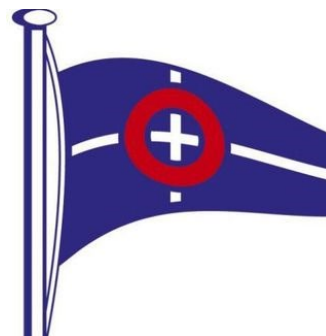

Start Line Length
Short = 3-4 board lengths = ~14 - 20 metres

Finish Line Length
Super Short = 1.5 board lengths = ~6 metres

Remembering

Windsurfer Class Association of Australia

April 17 · 🌐

Vale Marcello Costa.

In the past days we have received news of the passing of one of the absolute pioneers of windsurfing in South Australia.

On behalf of all Class members the WCAA extends our condolences to the Costa family.... See more

TJ Knots is in Adelaide, SA.

April 15 at 3:18 PM · 🌐

It is with profound sadness that I share the news of the passing of Marcello Costa AO. Italian born, 1940, Marcello was an Australian Medical researcher, academic and public health advocate, and had a passion for long distance windsurfing. With over 40 years of enjoyment on the water, Marcello has inspired so many with his tales.... He will be missed greatly, but his passion for windsurfing will continue on through his family and the wider windsurfing community. ❤️

The SA windsurfer class recently helped put together a very special event at Brighton & Seacliff Yacht Club to celebrate the incredible life and times of Marcello Costa.

A big crowd was on hand to hear a pioneer of windsurfing in South Australia share his epic marathon and long range adventure sailing journeys and crossings during the 1980's and 90's.

Still on the water at 82 - he shared some absolute words of wisdom about life and fascinating insight into the history of the Windsurfer Class - some fantastic picture and memories of events past.

Very proud of our local Windsurfer Class Association of Australia sailors who supported the creation and execution of the event including Greg Pratt, Brett Yardley and Simon Grosser, Andre Costa and family and State Rep Tim Lelliott. With Simon Lee doing an awesome job capturing the action.

Australian Windsurfing stalwart John Rhode helped with archival photos and newsletters.

So instead of the normal ho hum on TV on this Christmas Eve gather the family and watch this amazing Windsurfer life.

Windsurfer Class Association of Australia

Published by Nick Bez · June 21 at 10:57 AM · 🌐

Vale Roger Dulhunty

One of the founders of windsurfing in Australia has set sail for smoother water.

Dulhunty with business partner Greg Kelly championed the introduction of the Windsurfer into the country and were integral in the formation of the Windsurfer Class of Australia back in 1977.

Through their efforts the sport we know and love was born.

Many of our legendary Class sailors such as Mark Paul, [Andrew Dolly Divola](#), [Rohan Cudmore](#), [Scott O'Connor](#), [Paul Ivshenko](#), [Kevin Wadham](#) and [Bruce Wylie](#) can speak more fully about the early days and his contribution.

To the Dulhunty family and friends condolences from all in the [Windsurfer Class - Australia](#) family.

Neva Sullaway ▸ Old School Windsurfers

June 20 at 12:52 PM · 🌐

I'd like to pay tribute to Australian Roger Dulhunty (MIT grad) who introduced Windsurfing to Australia. He passed away at the age of 72. I have no details about his passing. As someone who was there at the time (1977 & '78), Roger and Greg Kelly introduced the sport to Australia with the support of the US contingent, Hoyle and Diane Schweitzer. It was an amazing moment in time, for which I am eternally grateful. In the photo, Roger trails Jorgen Kolni in the Regatta. Thanks to those who remember the history. Fair Winds

Some Thoughts from the New President

Jim Kariotis

Huge thanks to Al Haynes, Paul Grimshaw and Nick Bez for their efforts, along with all committee and other supporters

Welcome to Greg Johns and Dave Owen.

- Looking forward to putting in the work.....to seek and engage active support
- Aim to keep the beat going.....to build on our success story
- Focus on grassroots class development with a structured plan (Club 50/50)
.....to leverage off our solid class culture of fun and racing
- Plenty to do.....plenty of time and plenty of great people – need to spread the load amongst the wider LT family
